The King Philip Warriors valiantly battled the Franklin Panthers on Thanksgiving 1994. Although the Warriors did not emerge victorious, K.P. spirit abounded. Many students, past and present, came to give their support. Thanks to the NHS pon-pom sale, the bleachers were a sea of green and gold fans. Until next year . . .

IT'S NOT JUST BA

If you have read the board outside the school from time to time, or heard the morning announcement, then I could safely say that at some point in time you have heard something about the King Philip Warrior Marching Band. If you know anything about the King Philip Music Association, then it most likely is about the Marching Band. But, the Music Association also puts forth many other great ensembles, bands, and guards. Sure, winning the past six years out of ten years and being the envy of many marching bands around is good, yet do you know about the other aspects of the King Philip Music Program? For instance, did you know that the King Philip Jazz Ensemble has won a gold medal for consecutive years? Also did you know that the Concert Band Has won a gold medal for years in a row? These are all amazing feats that the young adults and instructors conquered through the outstanding music program here at King Philip. On another aspect of the Music Association, did you know that the Winter Guard is defending its title as World Class champions for the third year in a row? Or, that last year the Winter Guard placed tenth in the world out in Dayton, Ohio in the Scholastic Open Class, and that they are going to defend, or even beat, their score this year? The King Philip Music Association has a lot more to offer than just Marching Band (even though the marching band is also there). If you have never heard of any of these activities, maybe you should check them out sometime. They really are THE PRIDE AND THE PASSION.
